ILLINOIS SBDC ANNUAL

For twenty one years, the Illinois Small Business Development Center has been a leader in helping the small business community. As a key component of the Illinois Entrepreneurship Network (IEN), the Small Business Development Center (SBDC) is supported by the Illinois Department of Commerce and Economic Opportunity and is a resource partner of the U.S. Small Business Administration. The SBDC provides statewide business assistance services to new and expanding businesses.

The information contained in this Annual Report depicts the services available and provided during calendar year 2005 through the Small Business Development Center and other programs of the Illinois Entrepreneurship Network.

The mission of the Illinois Entrepreneurship Network is to provide comprehensive business assistance, training, information, advocacy and access to critical resources to help Illinois small businesses and start-up entrepreneurs enhance their competitiveness and ability to succeed in a rapidly changing, global economy.

Through the Illinois Small Business Development Center and Illinois Entrepreneurship Network, a variety of free services are available to assist pre-ventures and growing Illinois companies. Services include:

- Business management assistance
- Technical training resources
- Market information
- Assistance with financial analysis
- Business education and workshops
- eBusiness services
